

PROVIDE THE **HIGHEST**
LEVEL OF PROTECTION
FOR CASH AND
VALUABLES TO
INTERNATIONAL
STANDARDS

EUROPA

BURGLARY-RESISTANT PROTECTION

KEY FEATURES

- Professional high security safe protecting valuables up to the highest certified resistance levels, available in Grades I, II, III and V, certified by ECB•S in accordance with the stringent European standard, EN 1143-1. Europa hereby complies and is certified with the world's strictest requirements for quality and burglary resistance
- A range of tools typically used in professional burglary attempts were used to test Europa's level of resistance according to EN 1143-1, from basic equipment, such as hammers and simple drills, to sophisticated thermal and electrical equipment, such as oxyacetylene torches and diamond disc cutters
- Europa Grade I & II are certified NT FIRE 017 – 60 Paper for one-hour protection of paper from fire by SP Technical Research Institute of Sweden
- Each safe can be equipped with high quality fittings to maximize storage requirements
- Europa can be customized with a choice of locking options, deposits, shelves and lockable drawer deposits in order to meet customer requirements
- Base fixing is standard on all models
